

VOLUNTEER SERVICE PROJECT

Saturday, October 28, 2017

9:00 am - 3 pm

SO CAL TRYKERS & RED STAR RIDERS

Building and Presenting Custom Tricycles for Disabled Children

Long Beach (Exact address to be announced)

WHAT IS THE SERVICE PROJECT:

We will be working with TWO of our partner charities (SoCalTrykers and Red Star Riders) for this very special event!

LATLC volunteers will help build and present around 30 adapted tricycles to disabled children! These bikes give youngsters the freedom to ride with their friends, rather than watch them from the sidelines in wheelchairs.

We will build around 10 customized bikes in the morning and then LATLC will host a party to present all 30 of the new tricycles to the children! This event will coincide with [Beach Streets](#) --an event closing off city streets to bicycling in Long Beach so it will be extraordinary for these new "Trykers".
