

## VOLUNTEER SERVICE PROJECT

Saturday, March 2, 2019

9:00 am - 3 pm (2 shifts)

Exceptional Children's Foundation  
Painting Entrance to Early Start Classrooms

14061 Terra Bella St, Arleta, CA 91331

### **WHAT IS THE SERVICE PROJECT:**

Last year, LATLC volunteers re-mulched the playground at Exceptional Children's Foundation Early Start Program in Arleta. It was one of the highlights of 2018! (See below – it STILL looks great!)

Now we are moving “indoors” and painting the entrance and hallways. This will be the first thing the children see when they go to school. *We may divide into two shifts (morning and early afternoon) but will know closer to the date.* This is a FAMILY-FRIENDLY event.

### **WHO THEY ARE:**

The Exceptional Children's Foundation (ECF) has become a recognized innovator of services for young children, students, and adults with developmental, learning, and emotional disabilities and is the only organization of its kind in California offering a full continuum of lifespan services for children and adults with developmental disabilities and other special needs. At this site, toddlers with complex diagnoses receive therapies for developing language and social skills.
