

2026 JEWEL CIRCLES: TOPAZ

The Jewel Circle Program provides Los Angeles Trial Lawyers' Charities financial security and a regular cash flow so that we can provide services all year long and not be solely dependent on major fundraising events.

TOPAZ CIRCLE IS SECOND LEVEL OF SUPPORT.

TOPAZ CIRCLE members donate \$2,500 per month for the calendar year. It may be paid through autopay, through wire transfers or by check.

By becoming a **TOPAZ CIRCLE** member, you receive more benefits than if you were to purchase the same opportunities separately. *PLEASE NOTE: These opportunities might be modified if any LATLC activities are added or changed.*
